THE BASIC DOCK

Includes all essential components

- ✓ **50 SnapTabs** for 25 large items
- ✓ **24 File Category Tags** for easy organization of items
- ✓ **The Guide/Template** for fast, easy attachment of snaptabs
- ✓ **The L-Rack™**
 - designed to hold 100 items
 - a white enamel, 1/4" rod frame rectangle, rounded into an "L" bend - 14" x 7" x 2"
- ✓ **The Basic Dock**
 - two hooks on two black plastic pads
 - inexpensive: several may be installed at various locations, according to needs
 - screws usually mount to sturdy wood on wall, door or cabinet

3 DOCK OPTIONS:

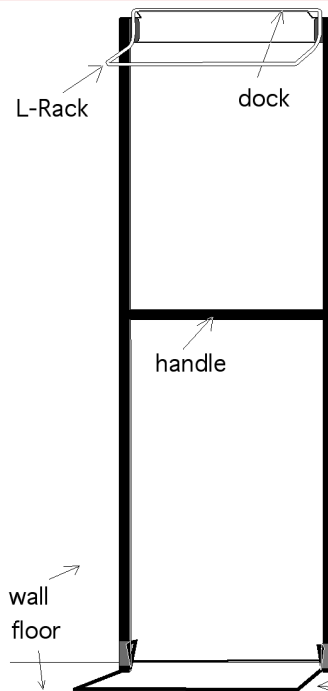

Basic Dock (above),
 Removable Dock and
 WallStand (below)

REMOVABLE DOCK

- quickly mounts on single screws installed at any of multiple locations
- easily removed, leaving only an unobtrusive screw head
- single screws are installed in studs behind dry wall or with appropriate hardware on other sturdy material
- black enamel, 1/8" steel plate

WALLSTAND

- may be moved, with contents, to many locations
- no installation required
- leans against a wall or any vertical support, such as table, shelves or other sturdy furniture
- foot can be collapsed when not in use

Practical Ideas For the Human Potential

HOW IT WORKS

The SnapTab™ patented

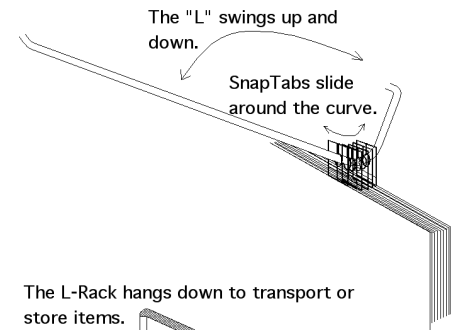

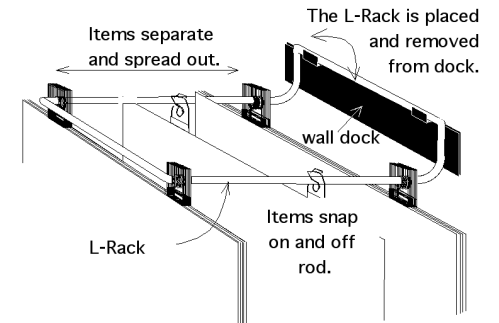

Release paper is removed from clear adhesive tape.

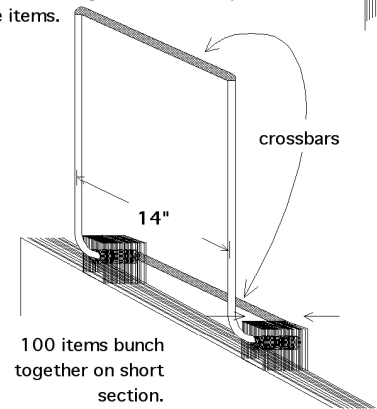

Two SnapTabs are used on items 15" and over.

The L-Rack™ and Dock patented

The L-Rack hangs down to transport or store items.

100 items bunched together on short section.
