

## WallFile Starter Kit Options

The **WallFile™ Portfolio System** is an ingenious organization tool for all your large documents. Organize bulky items, such as charts, diagrams, maps, posters, banners, illustrations, and more... simply and effectively.

Each Starter Kit option includes 1 Docking Station, 1 L-Rack™, 50 SnapTabs™ (enough for 25 documents of average weight), Guide/Template, and File Tags & Labels.

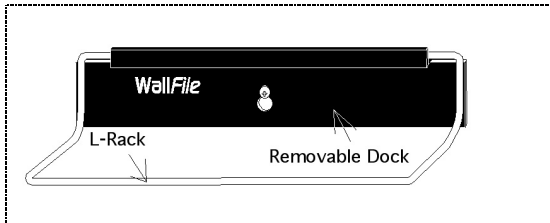

### The Starter Kit

Everything you need to get started.

Includes:

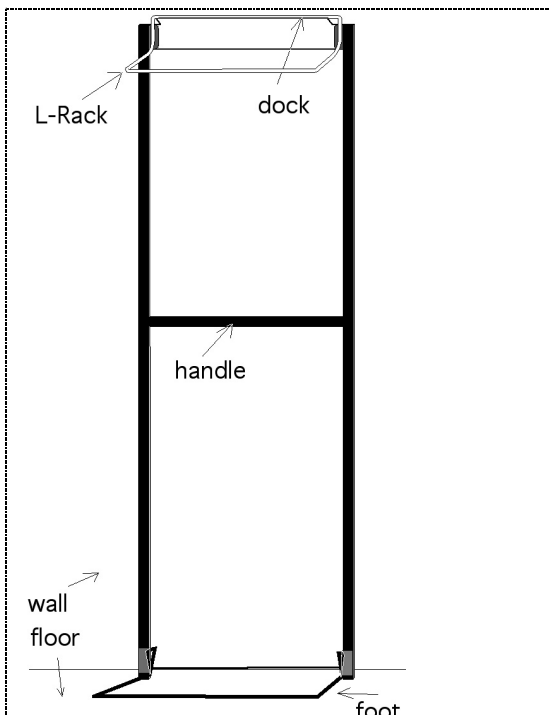

- 1 Basic Docking Station
- 1 L-Rack
- 50 SnapTabs
- Guide/Template
- File Tags & Labels.

### Starter Kit with Removable Docking Station

The Removable Docking Station quickly mounts on single screws installed at multiple sites, wherever you might want to have it temporarily located.

Great for use in different rooms at school or office.

### Starter Kit with WallStand

The Starter Kit with WallStand is the most versatile way to get started.

The WallStand leans on any vertical support, such as walls, shelves or tables.

You'll find it's ideal for on-the-spot use at any location.

No permanent installation required.
